

NOBODY DOES LOGISTICS BETTER THAN THE CROSSROADS OF AMERICA

- **STATEWIDE ACCESS TO FTZs**
- **#1 AIRPORT 14 YEARS RUNNING**
- **80% OF THE POPULATION
WITHIN A DAY'S DRIVE**

Indiana is a premier logistics hub—and 1 of only 5 states with 100% access to the Foreign-Trade Zone program. These FTZ benefits empower companies to potentially reduce, defer, and even eliminate the cost of import duties. As the nonprofit administrator of FTZ #72, INzone can guide you through the application process and access these benefits in Central Indiana.

If you're in Central Indiana, INzone will cover the cost of a Feasibility Study, paying up to \$5,000 for a professional consultant to assess if FTZs can benefit your business.

INzone Can Help You:

- Save Time and Money with FTZs
- Navigate Customs Regulations
- Streamline Global Logistics
