

Robert Stein is Vice President at Mohawk Global Trade Advisors. He has over 30 years of experience in Customs brokerage, freight forwarding, and trade consulting.

As an FTZ consultant, he has guided importers through FTZ savings analysis, feasibility studies, application, training, activation, and systems integration as well as obtaining interim production authority approvals.

In addition to his FTZ work, he provides expertise in import and export compliance, Incoterms, Free Trade validations including USMCA, and FTC “Made in USA” rules to consulting clients throughout the country.

Robert frequently lectures to the trade community and has spoken at events for the National Association of FTZ’s, Syracuse University, and the National Customs Brokers & Forwarders Association of America. He is a licensed Customs broker (LCB) and Certified Customs Specialist (CCS).
